October 1916

The fine weather -has delayed work from starting well. Over time for men has caused small groups there. The girls club seems particularly difficult to start. The dancing here \& at James Otis attracts them. Club organization does not so much.
Non-resident workers have come in pretty well. Mrs. Henry Hubbard starts a dramatic group.
The Basta family have assumed charge of De Marco Saloon. The latter moving away. We protested before the license man-but with no effect. They claim protection of Devereaux.

Polling place ntrated/started between Commons \& Basta's store for two or three days but finally landed there on their promise to keep it clean \& warm.
Sidewalk on Grand Avenue completed
Housewarming of Men's club on Wed. Nov. 1. Ms. Jenkins in charge. Regular attendance starts slowly.
